The Benefits:

- 25 days paid holiday plus bank holidays
- Private medical insurance
- Subsidised health checks
- Annual optical allowance
- Pension scheme
- Bonus scheme
- Employee Assistance Programme (EAP)
- Rewards app
- Referral bonus
- Charity days
- Social Events
- Enhanced Maternity and Paternity Pay
- Well-being warriors
- Well-being garden and room
- Cycle to work scheme
- Employee awards
- Free on-site parking
- Training & development opportunities
- Free uniform
- Subsidised Celler8 device
- Subsidised kids club

Your Mission:

As a Goods In Quality Operator you will be utilising a wide range of methods to receive in and quality check all products coming into the business. You will have an essential role in the quality control of our products ensuring they conform to the highest standards and meet the required safety and quality standards. The quality checks must be fully documented raising any defects or issues with supervisors and managers.

Roles and Responsibilities:

- First line testing and inspection of incoming products at goods in stage, to ensure that products are fully ready for dispatch when required and maintain available stock levels
- Moving stock within the warehouses once goods in checks have been preformed
- Troubleshooting issues and executing fault corrections
- Liaising with operations/warehouse/technical departments to resolve issues
- Maintaining concise test records

Our family, innovating health, for yours.
